

Samara Private Game Reserve

September Spa Special

“Unwind and rediscover yourself in the natural beauty of The Great Karoo”

Situated at the foot of the mountain range that descends into the breathtaking Plains of Camdeboo in the malaria-free Great Karoo, Samara Private Game Reserve is a place where time literally stands still. Formed millions of years ago, the Great Karoo is one of the great natural wonders of the world, rich in beauty and fossil finds.

Set amidst magnificent rolling plains and distant purple mountains, Samara Private Game Reserve offers a haunting and utterly compelling experience. It is home to a luxurious colonial style Karoo Lodge and Manor House that features contemporary African décor, comfort, space and style, finished off by verandas with never-ending vistas. Dine under the stars or picnic overlooking the romantic plains while indulging in delicious cuisine and quality wines. A swimming pool, library, tennis court and children’s area provide additional recreation. Spend days on safari with experienced rangers spotting buffalo, rhino and antelope on 70,000 acres of land where the majestic cheetah reigns once more and endangered mountain zebra roam freely. Or, enjoy a relaxing massage or beauty treatment at the water’s edge.

For the month of September, Samara is offering travellers to the coast an exciting “Stay for Three, Pay for Two” package, including a complimentary spa treatment per room at the Samara Spa, overlooking a quiet dam with an abundance of waterbirds.

Rates are from R11 600 per couple for three nights (based on two people sharing at a Lodge Suite) and includes luxury accommodation, all meals, selection of house wines, local beers and soft

drinks, teas and coffee, two open land rover safaris or guided walks per day and one complimentary spa treatment during your 3 day stay (This is a Value add of R6 300 per couple – please refer to full rates sheet for T&C).

Samara is located in the Eastern Cape, near Graaff Reinet; about 3 hours drive from Port Elizabeth. Guests can self-drive directly to Samara or fly into Port Elizabeth from where the lodge can assist with transfers. Samara also boasts a private landing strip for direct charter to the lodge.
