Google Maps giving you trouble? Samara has partnered with what3words, a global addressing system revolutionising the way we think about location. They have divided the world into a grid of 3 x 3 m squares and given each one a 3 word address, which means everyone, everywhere and everything now has an address - even Samara's entrance gate! Navigate to it by visiting [map.what3words.com/rosters.plots.famous](http://map.what3words.com/rosters.plots.famous) and selecting 'Directions to pin'.
